Submission Reason Renewal

Form Input

Form Instructions

In accordance with NDAC 33.1-15-14-03.9, an application for renewal of a minor source permit must be submitted ninety days prior to the expiration date stated in the permit.

When completing the online application, if uploaded files are provided in each section (when indicated), do not include those same files in the General Document Upload/File Upload section. If uploading the application files in the General Document Upload/File Upload section, only fill out the required (asterisked) sections of the online application.
